Meet the Mane GIRLS of Canterlot High

EG

Rarity

Rarity here. I think this Tell-All book will really help Twilight Sparkle when she transfers in from Crystal Prep. I will help make sure she always puts her right foot forward—and that it will have the latest in footwear on it!

Pinkie Pie

I am always ready to have some fun and I can't wait to show Twilight Sparkle how to have a great time at Canterlot High! I plan to help her loosen up a little and laugh a lot!

Sunset Shimmer

I am still learning a lot about myself but I am sure that I don't know what I'd do without my friends—so I plan to be one to Twilight Sparkle.

Rainbow Dash

This school really rocks. And talk about team spirit! There are so many ways Twilight Sparkle can join in and become one of us. I'll introduce her to music and sports opportunities, for sure!

Fluttershy

I'm kind of shy and quiet a lot of the time and can't imagine being new somewhere! I'll make sure Twilight Sparkle has a lunch buddy.

Applejack

I'm just a country girl who likes to tell it like it is. So I'll be by Twilight Sparkle's side giving her some straight talk to help her figure things out about us and our school. But we're a pretty easy group to get to know!

Twilight Sparkle

I'm so excited to become a Wondercolt! Making friends is going to be my greatest experiment yet! I just hope I can live up to Twilight Sparkle from Equestria's reputation.

Wondercolts

Canterlot High School

Twilight Sparkle

We Love CanterLot HiGH!

Rarity There's no better place to get a quality education—and a lot of it is what we teach each other!

BFF

I really, really, really love CHS. Really!!! Hey, everybody! Let's have a party to celebrate all the fun and friendships at CHS! I'll bring the cake! Did I mention that I really LOVE my school? **Pinkie Pie**

Rainbow Dash

Pinkie Pie

Rarity

Sweet!

High School

I love CHS, but I'd rather be on the stage, or out on the soccer field, rather than inside the classroom.

I'm just sayin'...!

Rainbow Dash

Hello!

Fluttershy This is the best place—it's where my friends accept me for who I am.

I'm getting to like CHS more and more every day. Today I like it a lot!

Sunset Shimmer

Applejack Besides my friends, I would have to say my favorite part of CHS is the Wondercolt statue, and the fun times we have there together, just kickin' around and laughing.

Wondercolt statue!

Twilight Sparkle

Making friends wasn't important to me at Crystal Prep. I can't wait to go from having no friends to having best friends at CHS!

OUR PRINCIPAL: PRINCIPAL Celestia

Sweet!

LOVE

She is a wonderful principal! I would just like to see her wear her hair up sometimes, though.

Rarity

I like her a lot. She was so supportive during the Friendship Games, and she let me give my pep talk during the assembly.

Rainbow Dash

Not only does she do a great job here, but on the weekends she volunteers at an animal shelter.

Fluttershy

Let me just say I could not do her job. Imagine dealing with all of us every day! Especially ME. Well, the old me.

Sunset Shimmer

I like her! Just don't do anything to get her mad...then it's not pretty.

Applejack

I like her better than our principal at CP, Principal Cinch. I'm so glad she's letting me transfer to CHS.

Twilight Sparkle

Pinkie Pie

She's so sweet and nice. One afternoon she even helped me get balloons out of a tree in the schoolyard!

Shhhhh!

My FAVORite CLASS

I really adore geometry! It helps me enormously with pattern making.

Rarity

Pinkie Pie I have such a hard time picking a favorite, but it's probably chemistry! I love how you combine things to make something new—it reminds me of baking!

Rainbow Dash Gym class.

Come on, let's go kick a soccer ball!

Fluttershy I like music class because I get to sing in the chorus. And sometimes we set my poems to music and the whole chorus sings them! And my animal friends chime in.

LOVE

Sunset Shimmer I like math class a whole lot. Numbers never lie, so they are teaching me a lot!

Applejack I love to sink my teeth into a crunchy apple and also into history! I love finding out about the past and watching how the seeds planted long ago can impact our lives today.

My Favorite Teacher

Rarity

Definitely Miss Cheerilee. I'm pretty surprised how patient she is with us when we're in the library. Although I do think she could use a little help with her fashion sense. That green dress has got to go!

Miss Cheerilee

Pinkie Pie

Mr. Cranky Doodle. It's my mission in life to turn his frown into a smile. Maybe then his wig won't fall off in class every day!

Mr. Cranky Doodle

Rainbow Dash

Miss Clippity Clop. She's a pretty good English teacher, but I really like her because one time she started dancing in class. I love a teacher who isn't afraid to move it!

SUPER STAR

Fluttershy

Mrs. Harshwhinny. When she shows her softer side.

I  **EQUESTRIA Girls!**

Sunset Shimmer

I like all my science teachers, but I really wish I could find a magic teacher in this world!

Granny Smith

How I Study for a test

Pinkie Pie

Focus, focus, focus. No thoughts of parties, cupcakes, balloons, or my friends.

Uhm, what was the question?

Rarity

Studying is the only time I seek comfort over style.

When I study for a test, I play my guitar between every chapter that I have to review. The harder the test is going to be, the more I shred!

Rainbow Dash

Fluttershy

I sit outside under a tree and listen to the birds. Usually, my adorable Angel is on my lap and we study together.

Applejack

I listen to my favorite country tunes. I have the best earbuds that block out other noise—it's the only way.

Anywhere it is really quiet and I can concentrate—so it's usually at home, after school.

Sunset Shimmer

Twilight Sparkle

Some students meet for study group, but I prefer to be alone with Spike. He's like my studying assistant.

A+ excellent!

Fashion Club! So far, this year I've made 27 costumes for our runway shows. I know I'm behind where I was last year, so I better get sewing!

Fluttershy

I love the Outdoor Club. Last weekend we planted trees. Next week we're going on a hike with a butterfly expert!

Thanks for all those trees!

Sunset Shimmer

I just joined the Movie Club. I really like those high-action films—better to see those things on the screen than in real life, I've decided!

THE FRESHMAN CLASS WEIGHS IN

Scootaloo

I'm just getting used to being in CHS with the older kids. It's more and more fun every day. My friend Sweetie Belle sits next to me in science class and we both have a total crush on the boy in front of us.

(Shhhh, don't tell him, you guys!)

Apple Bloom

Sweetie Belle!

Sweetie Belle

I love dressing up for school. And I especially love art class. But yesterday I got in trouble for talking too much while we were painting.

It can be kind of embarrassing to have your little sister in the same hallway at school! But, honestly darling, I couldn't have asked for a better little sister—you are a real gem! —Rarity

I think it's awesome that I can hop on my scooter and ride it to CHS every day. Okay, I probably should NOT have ridden it in the halls. I almost rode right into Twilight Sparkle from Equestria! But she was really nice about it. Most of the older kids are nice to us. Especially when Apple Bloom, Sweetie Belle, and I play our music together!

I Can't Go to SCHOOL Without...

Rarity

Oh that's easy. My charm bracelet. Oh, and my little mirror—the one with my initials on it. And nail polish for touch-ups. And a needle and thread. Just in case.

Pinkie Pie

No one knows this, but I always make sure I have a bag of confetti in my locker. Just in case...

Rainbow Dash

My running shoes! Oh, and an energy bar, especially if I'm staying late for a game.

Fluttershy

Bird Seed. I bring some every day to feed the birds outside in the school yard.

Sunset Shimmer

My water bottle. I always grab it before leaving the house!

Memories from the Fall Formal

Remember when I almost...
almost didn't finish
everyone's outfits in time?!
I did it, though, and we
all looked like princesses!

Rarity

This year was our best fall formal ever!
I loved how we helped each other get
ready! Still sorry I spilled my cup of
red punch on you, Pinkie Pie!

Rainbow Dash

Oh, that's okay, Rainbow Dash.
It matched my dress!

-PP

We had so much fun dancing together!
And I framed my copy of the group
photo we took with Twilight Sparkle
from Equestria after she was named
Princess of the Formal. *Fluttershy*

I had as much fun planning it as I did
going to it! I picked out the decorations
and had SOOO much fun making the cake!

Pinkie Pie

Loved the dancing, too,
Fluttershy. But is no
one going to mention
what went on with
Sunset Shimmer?!

Applejack

You mentioned it, Applejack! I'd rather
forget how I turned into a raving
"she-demon!" Literally. I'm never going to
live that down. *Sunset Shimmer*

My FAVORite CLASS TRIP

Rarity

The Adventure Park, even though I'm still getting over when the Ferris wheel got stuck at the top! It was so windy that my hair kept getting messed up!

ADMIT ONE

Rainbow Dash

That Sports Museum was off the charts! I was especially blown away walking down the Hall of Fame. I hope my picture will be up there one day!

Pinkie Pie

The city, for sure! So many parties and restaurants! And the lights were a never-ending celebration! I could have stayed there a whole month! Or a year!

Fluttershy

I still think about our trip to the zoo. I loved every single second of it.

Applejack

How fun was that hayride at the farm when we were all together?! Had a blast, even though I forgot to take the apple pie home!

EWG

Sunset Shimmer

Can't wait to go back to the park. The hike, the picnic, and the rainstorm...all memorable!

Remembering the Battle of the Bands

LOVE THIS!

Sweet!

Rarity Of course we looked and sounded fantastic, but none of that would have mattered without Sunset Shimmer. Without her, we would not have been able to defeat that evil band, the Dazzlings—she saved everyone from falling under their spell.

I loved being on stage. And when we ponied up...that was totally awesome! Twilight from Equestria was the first to realize that it was the Magic of Friendship and us being in harmony as friends that makes us pony up!

Rainbow Dash

Pinkie Pie I remember when we had a face-off with Trixie and we won!

After Snips and Snails scared me with the spotlight, I found a way to work up my courage for the real performance that night. *Fluttershy*

Applejack The cheers from the audience! We rocked it! And when Sunset Shimmer sang, we were totally complete as a group!

It felt great singing with the Rainbooms! That's when the real magic happened!

Sunset Shimmer

My FAVORite SONG

Right now it's "Life Is a Runway!" But I loved every song we sang when we had Twilight Sparkle from Equestria on stage with us!

Rarity

Pinkie Pie

Lately I've been singing "Perfect Day for Fun...La la la...With my best friends, we can depend!"

Rainbow Dash

Any song where I get to shred my guitar is my fave!

Fluttershy

It has to be "Rainbow Rocks"! Each time we sing it, I like it more.

EG

Applejack

I love "Shake Your Tail." It makes me so happy! And I shake my tail when I sing it! We're here to have a party tonight!

RAINBOOMS

Sunset Shimmer

"My Past Is Not Today"

THE WORST THING ABOUT THE DAZZLING

They were so bad that StarSwirl the Bearded banished them from Equestria long ago. They were just simply **dreadful!**

Rarity

Rainbow Dash

They were awful musicians! Did you hear them try to sing without their musical pendants?

Give me a break!

Pinkie Pie

They fed off negativity. Can't get much worse than that!

Fluttershy

They acted nice to our faces, but were big phonies.

EVERYTHING!

Except that I got a chance to prove I'm a loyal friend.

Sunset Shimmer

They used their magic in a really bad way and got the whole school under their spell. It was hard at first, but together we were able to overcome them and their evil ways!

Applejack

My secret CRUSH

LOVE

Sweet!

Rarity Okay, I'm not going to say who my crush is... but I know a certain little purple someone who is back in Equestria and who has a crush on me!

Rainbow Dash That guy on the baseball team. I don't even know his name. But when he caught that fly ball the other day, WOW!

Pinkie Pie I'm going to write this really fast because it's a confession...Shining Armor. There I said it. Sh-h-h-h.

Fluttershy Oh, boy! That earthy guy who plays in the Green Cycle band. I'm too shy to let him know that he gives me butterflies!

Applejack I do have a crush. My childhood friend Jonathan, who grew up on the apple farm right next door to mine!

Sunset Shimmer I don't really have a crush right now. Since Flash and I broke up, I haven't really liked anyone. But I'm hoping that will change soon!

My BIGGEST Fear

BFF

That I'll miss out on a single second of being with my best friends.

Pinkie Pie That all the balloons in the world will pop at the same time!

I'm not afraid of much. Well, okay, I am afraid of being cooped up inside for too long...oh, and of falling asleep in class!

Rainbow Dash

Fluttershy

I'm terrified of being in the spotlight in front of a crowd. Except when we sing together.

Applejack

Sometimes I start thinking about my besties and I get afraid that we might drift apart one day. But I honestly don't think that will happen.

How AWESOME would that be?!

Fluttershy Oh, how I wish I had time to have a conversation with every animal I see!

I wish that there would be no more evil magic ever again. Just good magic.

WHAT I'D LIKE TO DO after COLLEGE

Rarity

Open lots of clothing stores

create fabulous fashions for
movie stars! ☆ ☆

Rainbow Dash

Maybe I'll coach soccer. Or motocross.
Or archery. Or, maybe I'll form
an awesome band!

Pinkie Pie

I'm going to be a party planner. Of
course! Ooooh, wait. Maybe I'll be a
professional drummer. Or a drumming
party planner!

Fluttershy

I hope to be a veterinarian.
And I also want to run my
own animal shelter for ladybugs
and other animals.

Sunset Shimmer

Instead of taking over the
world, I'd like to travel and
see it! And also develop apps!

Applejack

I plan to get a degree in
environmental science and put
it to good use back home!

Twilight Sparkle

I either want to be a

My Fav Thing About Pinkie Pie's Parties

★ We have a blast getting ready and I love "fabulizing" everyone. I think I speak for all of us when I say that that's as much fun as the party itself! *Rarity*

They're always fun! Sometimes I laugh so hard, tears stream down my face!

Rainbow Dash

Pinkie Pie

My fav thing is the balloons! The cake! The music! Oh, the confetti! No, sillies. The best part of any party is my friends!

Fluttershy

The food is always so tasty! I also take some home to my animal friends.

Applejack

That Pinkie Pie sure knows how to throw a party. We all get up and dance, even if there's no music!

Twilight Sparkle
I am so looking forward to being invited to these!

Sunset Shimmer

I like the pics we take! Look at this selfie from the last party!

about FLUTTERSHY'S animal FRIENDS

Rarity

Have you ever made an outfit for a bunny? It took me a while to figure out what to do about the tail!

Fluttershy

Pinkie Pie

One time I tried to get a bunch of her butterflies to fly out of a cake. Still working on that one...

Applejack

She hangs out with so many fantastic critters! Last weekend I had a nice conversation with Elizabeak. Such a friendly chicken! Oh, and I just planted some special carrots for Angel.

I still don't know how a bunny who can't talk always manages to speak his mind.

Rainbow Dash

Last summer I babysat her bunny—and a guinea pig, a bird, two otters, a bear, seven ladybugs, an alligator, and a snake—when she went away for a weekend.

Sunset Shimmer

Sweet!

I Like to Watch Rainbow Dash Compete

She's breathtaking with power chords! *Rarity*

Rainbow Dash

Pinkie Pie I get so *nervouscited* when I watch her compete! She's the **real deal** when it comes to sportsmanship!

She is an amazing competitor but she stopped her ride during the Friendship Games motocross race to save Sunset Shimmer from that crazy plant!

-Indigo Zap

She's the absolute best at soccer! And I'm so glad only the ball gets hit so hard! *Fluttershy*

I like to see her compete in just about any game, but especially video games. She even wins those!

Applejack ★★

Sunset Shimmer

I'll root for Rainbow Dash no matter what she competes in. She's always been a real champion to me—even before she saved me in the motocross race!

at Rarity's LAST FASHION SHOW

I was overwhelmed by how great the audience's reaction was to my newest collection, which I call Fabulous Friendship Fashion—and that my friends modeled!

Applejack

The very end of the games when CP kids were no longer our enemies! And I loved doing archery. Bull's-eye!

I knew I should have carried the three in that math equation!

Sunset Shimmer

The whole thing was so strange. And it was hard for me to play for CP because they don't like me.

CRYSTAL PREP STUDENTS

The best thing about CP! -AJ

SHE ROCKS! -RD

My fave CP student!
-Rarity

At first I thought they were real meanies. But they finally realized that friendship is magic!

Fluttershy

Dreadful uniforms!

Rarity

They act all hoity-toity.
But they're not **all that!**

Rainbow Dash

Hey CP, how would you like some Venus flytraps for your school lawn!?

Sunset Shimmer

At first I wondered, what in tarnation was wrong with all of them, including Indigo Zap? She finally came around...they all did, pretty much.

Applejack

MORE CRYSTAL PREP STUDENTS

Did someone say "robots"?

Pinkie Pie

Love the flames.

—DJ Pon

Rainbow Dash

Lemon Zest and Sunny Flare know how to speed skate really well. But when it comes to team spirit...um...not so great.

Lemon Zest sure loves her music!

—DJ Pon

More sour than sweet!
That's for sure!

—PP

I thought I was a quiet talker...I'm shouting compared to her!

Fluttershy

THE BIGGEST SURPRISE I EVER HAD WAS...

When Pinkie Pie and I were speed skating and crossed the finish line the same time as the Shadow Bolts. I'd never skated backward before, but I was so determined to win for us, that I just turned around and made that beautiful move!

Rarity

Hello!

Pinkie Pie When that party cannon went off by mistake! Still sorry about that.

When I started to "pony up" and I wasn't even singing. We were all just together and the friendship was magic!

Rainbow Dash

Fluttershy I think it was when baby eagles landed on our heads!

Yeah! And one thought my hair was its nest! Since when are eagle nests pink?

-PP

Applejack When I hit that bull's-eye...and it was a spinning target!

It shocked me when Pinkie Pie burst out of the cake she made for my birthday!

Sunset Shimmer

Twilight Sparkle

When everybody from CHS already knew who I was! Oh, and when Spike started talking, that was really surprising.

How about that look in Sour Sweet's eyes when I spoke to her on the archery field! Talk about big surprises!

-Spike

My Favorite "Pony Up" Time

At the Battle of the Bands! It was the most fabulous "pony up" ever with all of us together, including Twilight from Equestria!

Rarity

Me too. It was my first time.

-Sunset Shimmer

At the Friendship Games after I got the party started! Confetti, music, cupcakes...it wasn't just party time, it was floatie time!

Pinkie Pie

Who remembers the time when I was singing the "Wondercolts" song, getting everyone motivated for the Friendship Games? I did it without even playing my guitar!

AWESOMENESS! Rainbow Dash

FRIENDSHIP
YOU
Shine!

Every time I "pony up," it's my favorite time!

THINGS I'D BE HAPPY TO NEVER DO AGAIN

Rarity

No need to ever fight the powers of evil magic again. My wardrobe could barely handle it.

So, I don't want to ever have a beautiful party planned for Fluttershy for a Saturday again, only to find out that her birthday was Friday!

Pinkie Pie

(But the party on Saturday was such a surprise!) ♥

← *-Fluttershy* ♥

I never want to see a Venus flytrap again! As far as I'm concerned they need to stay far away and be well fed!

Rainbow Dash

I'd be very happy to never be in the spotlight on stage again when I'm not prepared!

Fluttershy ♥

★ *Twilight Sparkle*

I don't ever want to turn into Midnight Sparkle again!

**NO
DAZZLINGS!**

I don't ever want to deal with the Dazzlings again! No, thank you!

Applejack

CHS

I never ever, ever want to be an evil she-devil again.

How to Beat the Rainy-Day Blues

Sweet!

Rarity

I either stay in and sketch out new designs for my next fashion show, or I go outside wearing my latest stormy weather wardrobe!

EG

Sunset Shimmer

You just might find me writing to Princess Twilight Sparkle or Princess Celestia in Equestria.

Rainbow Dash

I'll be shredding my guitar and rockin' to music!

Pinkie Pie

I usually put together a rainy-day party complete with balloons, glitter, cupcakes, and music by the Rainbooms!

Fluttershy I go outside and splash in the puddles with the ducks!

I love the smell of the rain!

Applejack

Bright STAR

BEST SLUMBER PARTY EVER!

That one we had when I gave all
of my besties a personal glam session!
We never got to sleep! *Rarity*

**SUPER
STAR**

I loved being up all night playing
video games with Rainbow Dash!

Applejack

I still say I won that last game!
—“Rainbox” Dash

I loved the slumber party that included my
little animal friends—they were so cute all
curled up in little doll beds!

Fluttershy

EG

I had a blast at the slumber party
where the Rainbooms played all night long!

Sunset Shimmer

Any slumber party
where we are all
together!

Signing off

Rarity No matter what challenges a day may bring, we all are fabulous together!

Rainbow Dash We are like a great sports team—stronger together than we are alone.

Being kind to each other makes great magic happen.

Fluttershy

Applejack Honestly, we are the best of the best.

We have been through a lot but always come out laughing and happy!

Pinkie Pie

What a difference strong friendships make in a girl's life! Enemies can become friends and turn the darkness into light!

Sunset Shimmer

Twilight Sparkle

There's something magical about us all being together. I'm looking forward to seeing our friendship grow.
