Once upon a time, in the magical land of Equestria...

Once upon a time...

*Once upon
a time...*

...there was a young Alicorn princess who lived near the magical Everfree Forest. Everypony loved her because she had a beautiful singing voice and brought joy wherever she went. One day, she wandered deep into the forest and lost her way!

But before she could get *too* scared, seven cute little dragons
came out of the shadows and asked if she was okay!

They all lived happily ever after.

The End

How do you get
a baby Alicorn to go to sleep?
