Equestria's first-ever Friendship Festival is about to begin! As princess in charge, Twilight Sparkle has so much to do. Luckily, she has amazing friends who are more than happy to help. Pinkie Pie's confetti cake cannon still needs a little work, but everypony is pitching in!

Look for these friendly finds around the fairground:

What's this? Tempest Shadow has landed! She demands all of the princesses' magic... and is certainly a bit stony when she is denied. Tempest's leader, the Storm King, expects Equestria's total surrender. His Storm Creatures are ready to make sure he gets it!

The battle has begun! Can you spot these invaders in the attackers' ranks?

Only Twilight Sparkle and her friends have managed to escape, with Princess Celestia's plea to "seek help from the Queen of the Hippos..." ringing in their ears. Finding the Hippos won't be easy. Perhaps the ponies can bargain for directions in Klugetown, a place where everything has its price.

The road to Klugetown has been long and hard. Can you find these landmarks along the way?

**K**lugetown doesn't welcome strangers, but the ponies have made a feline friend named Capper. Or have they? Capper wants to move up in the world, and selling his new pals would finance the life he'd like to lead. It looks like Twilight Sparkle and her friends have walked into even more trouble!

Capper's possessions are tattered, but treasured. Look around for these beloved belongings:

The ponies are on the run again! They try hitching a ride aboard an airship manned by parrot pirates, but Tempest's ship-snagging harpoon forces an emergency bailout. The ponies are plunging to the ground, along with the airship's cargo!

Look out below! Spot this falling flotsam:

Luckily, the travelers land in the "Hippo" homeland, where they discover that they're really looking for Hippogriffs, part pony and part eagle. With her Pearl of Transformation, the Hippogriffs' Queen Novo has changed all her subjects into Seaponies to protect them from the Storm King. She transforms her pony guests too!

While Twilight Sparkle considers "borrowing" the power of the Pearl, look around for these throne room things:

When the Mane Six resurface as ponies again, Twilight Sparkle is captured by Tempest and taken to Canterlot. The Storm King summons a tornado to whirl Twilight Sparkle's rescuers away, but he gets caught in it himself when his magic goes awry. Will the ponies retrieve the king's staff of power before he does?

The staff's wild magic is destroying everything! Can you spot this whirlwind wreckage?

The Storm King has been vanquished! Now Equestria is ready to have some fun. All of the ponies' new friends, including Tempest, are joining the victory party, too. After all, there's no better place to celebrate friendship (and eat cake!) than the Friendship Festival!

Can you find all of these party particulars?

Capper's hat

Spike's sunglasses

The ponies don't know it yet, but they're about to begin an alarming adventure! Flip back to the Friendship Festival to find these tokens of things to come:

Tempest is preparing Canterlot for the arrival of the Storm King. Inch back to the invasion to look for these things that prove his power:

The airship's crew of scoundrels were pirates once...and they'll "get awesome" again! Slip back to the ship to spot these reminders of the parrots' past:

Princess Skystar is thrilled to have some new friends who aren't crustaceans! Craper back to Queen Novo's court to spot these shelly specimens:

Tempest isn't the only one interested in the wanderers' whereabouts. Dash back to the desert to find these inhabitants who are watching their every step:

Capper's means may be meager, but he sure has a lot of stuff! Hustle back to his home to find more household goods:

Friendship has bound Twilight and her pals into an unstoppable force. Turn back to the tornado to find a symbol of each pony in the chain:

Tempest has a little secret. Her real name is... wait for it...Fizzlepop Berrytwist! Look back through each spread in the book to find the letters that spell F - I - Z - Z - L - E - P - O - P.
